

ABOUT DANNY GERBRANDT

I love living in Maple Ridge, and serving the community in my Real Estate Profession. Born and raised in Maple Ridge, I am the older of two children. In 2000, I graduated from Garibaldi Senior Secondary School, and in 2006 Graduated from UBC's Sauder School of Business.

I have been married to my wonderful wife Sadaf for 4 years, who grew up in the Okanagan Valley, and we both enjoy our life in British Columbia, but especially Maple Ridge. I can't imagine calling anywhere else home.

Before I decided to get into a Real estate career, I ran and managed my family's business, until, my parents decided to retire, and I decided to take on a new career.

I enjoy the many opportunities that real estate provides, newcomers, and locals, with this beautiful area, and to assist them in selling or finding the property that suits their needs.

With extensive knowledge from my experiences and my commitment to professionalism, I endeavour to educate buyers and sellers so they can make informed choices. I find the challenges of this business life changing and fulfilling.

When I am not in the office, you may find me engaged in anyone of the following activities that fill my life with fun and joy: boating, golfing, wakeboarding, walking, or simply spending time with my family, relatives and friends.

It's a great pleasure to meet you, and look forward to introducing you to your dream home.
