

About Nicole Kaufmann

Nicole, our unlicensed assistant, is the most important part of our team. She keeps us all organized by staying on top of all the details that occur during a real estate transaction. She is also the voice of our team when our clients call our office - she is friendly, very knowledgeable and highly efficient.

Nicole has lived in Maple Ridge for most of her life, growing up on a hobby farm on 232nd. She graduated from Garibaldi High School, then continued her education through Sprott-Shaw College, receiving a diploma with honours in E-Commerce Business Management. She now lives with her daughter, Destiny, her step-son Randy and Brad ~ “her better half”.

Nicole has worked in the real estate industry since 2004, assisting several Realtors with their businesses, along with being an invaluable part of the Macdonald Realty office over the last 5 years.

We are fortunate to have her on our team ~ she is the center that keeps the rest in balance.
