## **Water Ordinance Enforcement**

April 12, 2010 –In accordance with Stage 2 of the City Water Ordinance, the City of Enterprise Water Department and Police Department would like to inform and remind residents that they are strictly enforcing the water conservation regulations. Water Ordinance violations are penalized as follows:

Violation 1: Written warning and the violator is to correct the violation within 30 minutes

Violation 2: Disconnect water service with a \$50 fee to reestablish water service

Violation 3: Disconnect water service with a \$200 fee to reestablish water service

Violation 4: Disconnect water service and a \$500 fee to reestablish water service

To reiterate the watering schedule:

- 1.) Odd-numbered street addresses will water on Monday, Wednesday, & Friday.
- 2.) Even-numbered street addresses will water on Tuesday, Thursday, & Saturday.
- 3.) There will be NO watering on Sunday.

These rules do not apply to commercial nurseries, newly sodden lawns for 2 weeks after the sod is applied or any handheld garden hose or water container. These can be used any day for small areas that might need more watering, but residents should be advised to only use the water that is necessary.

If you have additional questions, please feel free to call Water Department at (334) 348-2659.
