

I am a Real Estate Agent with 10 years of experience. For the past two years I have been dealing with Short Sale listings and the experience has been so much easier working with Gaby Hall and her staff at Processing Specialists.

Gaby Hall is the best negotiator I have ever met, she has been able to save deals that are falling apart, when every aspect of the situation is in deep trouble, she always finds a way to get thru.

So in one word I could say that Gaby and her staff always write the happy ending of the story, going to a "Closing" is the best part of the deal and they are able to achieve that.

I would definitely recommend anyone working with this extraordinary team.
