

Urban Oasis

High above the city we set the stage for a summer party with fantastic views, savory bites and sleek décor

Party with a View: The Marina Condominiums, set downtown on the shore of Lake Monona, provide a cool backdrop for a summer soiree. A modern table from Rubin's is where appetizers are served and guests gather to chat. Special thanks to condo owner Debby Dines of Dines Incorporated. For more information on the Marina Condos or other downtown properties visit mydowntownlife.com.
