

Mr. and Mrs. Jordshaugen

To Peachtree Fine Properties,

Thank you for selling our home. You did an incredible job. We received two offers and were under contract within 41 days!

Our home had been on the market for 310 days with another real estate company without receiving one single offer to purchase our home.

When we made the decision to change real estate companies, we did not seek referrals but instead researched on the internet and drove through neighborhoods to review the marketing efforts of other real estate companies and agents. Our criteria for selection included: attention to details; staging suggestions and assistance; clear, professional quality photographs; four-color high quality brochures; and prompt feedback from agent showings.

We contacted you to discuss listing our home. You presented a very professional outline of your services with samples of your work and presented new ideas. After we signed the listing, you immediately got to work. Christine spent a whole day assisting us in staging our home inside and outside; and even loaned us a few key items to create an appealing ambience in our home.

You took professional high quality photographs (which we are convinced made our home look exceptional on the internet) and developed beautiful brochures that attractively outlined our home for visiting buyers to remember.

Even during the listing, we would exchange ideas and make adjustments to overcome any buyer objections. Also, you hired a professional videographer that created a beautiful full-motion video, with announcer, tour of our home. In fact, one of the homebuyers was not in the area and viewed the online video as an open house tour to make a purchasing decision.

We highly recommend that our friends and neighbors talk to Peachtree Fine Properties when they are considering the sale of their home.

Sincerely,

Mr. and Mrs. Jordshaugen
