

JEFF AND CHRISTINE'S REFERENCE LIST OF SELLERS

Mike Hayob

"You had the most comprehensive marketing program that produced results. My home had a high level of showings, online viewing and customer inquiries. You were dependable and thorough. You told me what you were going to do and you always did it. I had complete confidence in your services and even when a relocation company became involved with my transfer I insisted they retain you. I would recommend Peachtree Fine Properties to my friends and neighbors in Peachtree City."

Mr. and Mrs. Casuccio

"Thank you for selling our home in record time!

As you know we were very disappointed with our previous realtor. After switching to you it was apparent why. Your system of current state-of-the-art marketing, combined with your staging & consultative advice which made a significant difference that resulted in the sale of our home in less than two weeks!

I was most impressed with your professional approach to your career. Your knowledge of the local Real Estate market as well as your efficiency in coordinating with the relocation counselors, loan officers, closing attorneys and home inspectors proved most helpful during this challenging time while I was separated from my family. From the moment you accepted us as a client, we had a feeling of assurance knowing that you were watching out for us through every step of the process.

We could not be more satisfied and we will strongly recommend you to any family selling or buying a home. Please add us to your testimonial list; we will be happy to talk with any prospective client anytime."

"Excellent job! Christine was very thorough. I can't say too much except good things. Her service and responsiveness was great. I liked the way she marketed my home through a flyer. I was out of the country during the time that my home was on the market but I had trust and appreciated her full-service job. She had a willingness to work things out. Christine was highly motivated to sell my home at a good price."

Christopher Blumberg

"Christine and Jeff are Real Estate with a touch of class. They were professional, knowledgeable and always available. They not only sold my condo with style, but also represented my best interests during my new purchase. This team takes real estate service to the next level."

Mark Odell

"Unbelievable! We are thrilled with the price we received. Christine's hands on approach was incredible. She knew exactly what to do to sell our home for the highest price.

The Staging Christine did for our home really made it show beautifully. The way she marketed our home quickly brought us buyers that were willing to pay the best price.

Christine was also a shrewd negotiator. We were very pleased at the way she handled the whole process. We would HIGHLY recommend her to anyone!!"
