

To Peachtree Fine Properties,

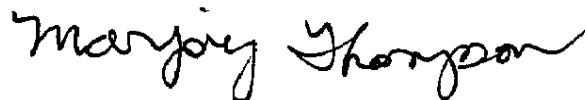

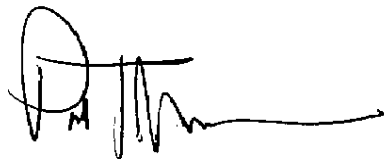

Thank you for selling our home. We received two offers within 1 week and were under contract in 11 days!

As you know, our home had been on the market for 186 days with two other real estate companies.

We really appreciated your five step approach. It really worked! First, you developed a plan and got right to work. Second, you told us what we needed to do to highlight and update our home. Third, your comprehensive staging services created a balance and friendly ambience to our home. You emphasized the features and purpose of each room. Fourth, the photos were professionally taken to beautifully present our home. Fifth, your professional marketing materials were not only informative but also showcased our house. Lastly, open communication has been key from listing to closing.

We highly recommend that our friends and neighbors talk to Peachtree Fine Properties when they are considering the sale of their home. Please add us to your testimonial reference list; we will be happy to talk with any prospective client anytime.

Sincerely,

Paul and Marjory Thompson
