## Welcome to Inspire in Maple Ridge

How do you define Home? Is it a place of solitude? Comfort?  
What if home meant more than what's inside your front door?

Can home be defined as an entire community, with safe, dedicated spaces to maintain your physical, mental and social wellbeing? At Platinum Group of Companies, we think it should, which is why we designed Inspire – Maple Ridge with a definition of home that includes gorgeous suites and incredible amenities that act as extensions of your living room.

Your home at Inspire includes a full service gym, complete with cardio and weightlifting equipment. Have some fun in the social lounge with a ping pong table, foosball and a big screen to catch your favourite sports game with your neighbours.

Let your home inspire you with tranquil outdoor gardens, perfect for rest and reflection at the end of a long day, hosting family and friends in the Alouette Room, or just catching some sun atop a mountain view, rooftop patio area.
