**Re: Victor M. Zolezzi and Linda Merino**

To Whom It May Concern:

I would like to take this opportunity to acknowledge Victor Zolezzi and Linda Merino's professionalism and diligence.

I had the privilege of working with Victor and Linda on a recent probate matter in San Mateo County. The probate estate included a house in Daly City that needed to be sold for the right price, as soon as possible. Victor and Linda represented my client who was a professional fiduciary appointed by the Court. The case was contentious and as expected, one of the beneficiaries challenged my client's efforts to list the house for sale. I asked my client to provide me with a summary of her efforts. The same day, I received a response from my client forwarding Victor and Linda's summary of their accomplishments pertaining to the property. I forwarded Victor's response to my opposing counsel and the issue was resolved immediately without further discussion.

I truly appreciated Victor and Linda's attentiveness, which effectively quelled what could have been, a very expensive and protracted dispute.

It was a pleasure working with Victor and Linda and I welcome the opportunity to work with them again in the future.

Very truly yours,
